**April 21, 2009, Norristown, PA** – [Adaptive Solutions, Inc.](http://www.adaptivesolutions.com), a premier provider of IT support and consulting services for law firms and corporate legal departments, announced Tuesday that company co-founder and CEO Chuck Davis has been honored by the *Philadelphia Business Journal* as a 2009 "40 Under 40" award recipient.

Davis and the other award winners will be honored on Tuesday, May 19, 2009 at the Sheraton Society Hill in Philadelphia.

Each year, the *Philadelphia Business Journal* selects 40 business and community leaders under the age of 40 who have shaped the community in ways that have made Greater Philadelphia a better place to live and do business.

"Being recognized by the local business community is a very significant honor for me," Davis said. "As a business owner in the Philadelphia-area for the last 10 years, part of our corporate mission has been to positively impact the local community. We've put that mission into practice by hiring local talent, renovating a historic building in downtown Norristown to use as our corporate headquarters, and by raising over \$17,000 for our non-profit client, The Philadelphia Children's Alliance in July of 2008 at our 10<sup>th</sup> anniversary gala celebration; I'm thrilled to be recognized and to be part of this group of honorees."

Adaptive Solutions was also recognized as a Philadelphia 100<sup>®</sup> company in 2008. The firm recently expanded its services to the New York City and Washington D.C. legal markets.
