For Immediate Release:

Connolly Bove and Adaptive Solutions Deploy A First Place Winning Document Management Design

October 7, 2010, Norristown, PA – Adaptive Solutions, Inc. announce that our client, Connolly Bove Lodge & Hutz LLP received 1st place in the 5th Annual MCC Design Awards, for best practices related to the execution and design in matter centrlicity.

Hildebrandt Baker Robbins and ElectronicFile 2.0, presented the award to Bob Casey, Connolly Bove's Director of Information Technology, at the annual International Legal Technology Association conference in Las Vegas on August 26th.

"Bob had a specific design in mind that really worked for the firm," said Chuck Davis, president of Adaptive Solutions. "It is a project that we both feel proud of, especially as we look back on how easy the attorneys embraced the new document management design."

"We are deeply committed to providing our lawyers with the smartest systems and tools to manage our client communications and documents. That is why we chose Adaptive Solutions," said Bob Casey. "Chuck's team helped us meet our goals in a timely manner and this award validates that not only are we fulfilling our client's expectations; but we are dedicated to supporting the technology behind the productivity."
